SENIOR ADMINISTRATIVE OFFICE

Dear Administrator:

We have been advised by the Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS), Region IX, your institution as a general acute care hospital in the Title XVIII Medicare program, has a proposed termination date effective June 8, 2017. The following requirements were not met by Lompoc Valley Medical Center:

- 42 CFR §482.12
- 42 CFR §482.21
- 42 CFR §482.25
- 42 CFR §482.28
- 42 CFR §482.42

CMS has advised you of your right to appeal the action and the steps you must take to prevent termination.

Pursuant to Title 42, Code of Federal Regulations (CFR), §482.1(a)(5), and Title 22, California Code of Regulations, §51207(a), participation in the Medi-Cal program as a general acute care hospital, is contingent upon your meeting the requirements for Medicare certification. Therefore, your agreement to participate in the Medi-Cal program also is subject to termination on June 8, 2017.

If CMS revises its determination, you will again be eligible for Medi-Cal participation.
